

APPLICATION FOR SEWER CONNECTION
FROM THE TOWN OF NEW HARMONY

APPLICANT'S NAME _____

ADDRESS _____

Description of property to be connected: _____

Property used for: _____

The present water service is: Town Water Private Well

Size of connecting pipe: _____ Amount paid \$ _____

The undersigned applicant hereby applies for permission to connect with the sewage disposal system of the Town of New Harmony and conjunction therewith agrees as follows:

1. To pay a connection charge as fixed by the Town Board of New Harmony.
2. To use said sewage system for sanitary sewage only and not to discharge anything therein that will damage or be harmful to said sewers.
3. To pay for sewage disposal service at rates provided by Town Ordinance.
4. To comply with all applicable statutes, ordinances, rules and regulations to making said connection as to cutting street pavements, excavating in a public street or highway, making such connection to said sewer and the replacing of the street or highway pavement.
5. To accept full responsibility and liability while making such connections and up to the time the connection pipe in place has been accepted by the Town.

The undersigned represents and states that he/she understands and agrees that the connection charge being paid in conjunction with this application is a pro rata portion of the cost of local or lateral sewers which have been constructed by said Town.
